if you asked most women today what type of girl men adore and couldn't live without they would answer that she would have to be an angelina jolie lookalike or at the very least be blond blue eyed and have killer legs while this type of woman would

definitely attract a lot of attention she actually isn't the type of woman that men adore now girls that's really good news for most of us you see while men are visual creatures and that first attraction is sparked from looks you would be surprised to find out how much more men actually want from women for example a team of sociologists conducted a study trying to understand if there was a common denominator that men found attractive in women that one thing that would get any guy to want to go over and talk to a girl you would never guess what the result was no it wasn't her breasts her legs or her bum in fact it wasn't any body part below her chin and it wasn't her features either it was her smile the majority of men stated that they found nothing as attractive as a woman's smile the point of this revelation is that you have to put your preconceived notions and the rules society has beaten into you all to one side you need to understand that fundamentally men and women are different and it's alright to be a woman there's nothing wrong with giving up control to your partner once in a while especially since it will make you feel better as well

if you asked most women today what type of girl men adore and couldn't live without they would answer that she would have to be very beautiful and attractive blond blue eyed and have killer legs while this type of woman would definitely attract a lot of attention she actually isn't the type of woman that men adore while men are visual creatures and that first attraction is sparked from looks you would be surprised to find out how much more men actually want from women for example a team of sociologists conducted a study trying to understand if there was a common denominator that men found attractive in women that one thing that would get any guy to want to go over and talk to a girl you would never guess what the result was no it wasn't her breasts her legs or her bum in fact it wasn't any body part below her chin and it wasn't her features either it was her smile the majority of men stated that they found nothing as attractive as a woman's smile the point of this revelation is that you have to put your preconceived notions and the rules society has beaten into you all to one side you need to understand that fundamentally men and women are different and it's alright to be a woman there's nothing wrong with giving up control to your partner once in a while especially since it will make you feel better as well society may have placed men and women on equal footing in the workplace and perhaps some other areas of our lives while it is absolutely true

that a woman can do almost anything a man can do and vice versa it is also true that we have fundamental differences that we are hardwired with the problem is that when we try to overlook those differences and pretend they don't exist as women we end up shutting ourselves away from the world in an attempt to be more like the men we feel a need to compete with

drawing upon 2 000 questionnaires and 200 intimate interviews with men and women this lucid and accessible new study reveals why the sexual psychologies of men and women are so different and so resistant to change

why do so many black men desire and covet the company of white women and why does this subject deeply touch so many people of both races is it a matter of love sex revenge power or politics all of the above asserts rajen persaud in this illuminating no holds barred book that will have readers laughing with recognition while fundamentally changing the way they see just about everything from sex and marriage to gender and race in all its foibles pretensions and ultimate possibilities

this guide written by clinical psychologists attempts to demystify men and to provide insight into the ways men tend to love the book is aimed at women single or married who are confused even pessimistic about finding love and keeping it alive
